Membership Costs and Implications

Membership for Eastbourne Hackney Taxi Plate holders is currently free. A decision to join a National Taxi Association can be democratically made by the association members. At that time, the fee for plate holders will be determined and agreed. **The association being formed is an unincorporated association.** An unincorporated association is an organisation set up through an agreement between a group of people who come together for a reason other than to make a profit (for example, a voluntary group or a sports club). We don't need to register an unincorporated association, and it doesn't cost anything to set one up.

This association does not exempt individual members of the association from all the national rules and regulations they need to comply with in order to be a lawful authorised operating taxi driver. The association and its members accept no liability for the debts, or actions or conduct of individual members. As independent professionals, members are responsible for their own actions and expenses.
